

CERTIFIED LAND CORNER RESTORATION

Index No. A-2+
A 2

State of Wisconsin }
County of FOREST } ss.

I NEAL SPERHAKE, do hereby certify that on the THIRTIETH day of SEPTEMBER, 1964, I found evidence of the NORTHWEST MEANDER corner of SECTION 6 Township 34, North, Range 13 EAST, Fourth Principal Meridian, as described hereon; and that from this evidence I established a new monument and accessories as described hereon to perpetuate the original location of this corner.

Resident witnesses:

FORM 985 H. C. MILLER CO., MILWAUKEE

○ = Corner monument restored.

History of original corner establishment: This corner can also be described as: "THE WITNESS CORNER TO THE MEANDER CORNER BETWEEN SECTIONS 6, T34N-R13E AND 31, T35N-R13E, 4th. p.m.

This corner was established during the original survey of this township, as noted in the original field notes for the original survey of T34N-R13E and T35N-R13E, 4th. p.m.

Description of corner evidence found:
At the time of the original survey the level of the lake was apparently lower than it is today. Thus, it was necessary to set a witness corner 21.78 feet east of where the original bearing tree indicated the meander corner originally was placed.

The stump of the original bearing tree is described in the original field notes as:
"Hemlock 10 N 87°E 45 links."

Description of monument and accessories I established to perpetuate the original location of this corner.
At the site of the original post, as determined from the existing original bearing tree noted above, I emplaced a "Galvanized iron pipe, three feet long, one inch in diameter, with aluminum cap denoted as, 'Kimberly-Clark Corp. T34-35N W.C. to MC BTWN. 31 & 6 R13E W.C. CORNER IS WEST 21.78 FEET."

The pipe is witnessed by:
Hemlock 6 N 44°E 30 links. (SCRIBED S31 WC NBT).
Hemlock 8 S 39°W 21 links. (SCRIBED S 6 WC NBT).

Dated at Crandon, Wis., this 12 day of January 1965, 1965

Signature Neal Sperhake Title Registered Land Surveyor Registration No. 463
