O = Corner monument restored.

History of original corner establishment:

Original corner established in 1858 by Alfred Millard, U.S. Deputy Surveyor.

Set a wooden post with the following bearing trees:

Spruce 10" N75°E 14 lks.
Hemlock 10" S70°W 34 lks.

Description of corner evidence found:

Found an old boundary line fences running North, South and East.

Description of monument and accessories I established to perpetuate the original location of this corner.

Set 2 1/2" diameter aluminum pipe monument, 3 feet long, 30 inches in the ground with an aluminum cap stamped; T37N, R12E, 1/4, S25, S30, 1987, S-1665. Set a steel sign post Northeast a distance of 1.1 feet. Established the following bearing trees which are blazed, scribed, painted and tagged.

Triple Red Maple	16"	N27°E	20.78 feet
Red Maple	7"	East	6.89 feet
Balsam	6"	S21°W	43.84 feet

- (e) Describe any material discrepancy between the location of the corner as restored or reestablished and the location of that corner as previously restored or reestablished by distance and direction. Show the discrepancy on the plan view drawing under (d), above. Show the distances between the corner as previously restored or reestablished and (1) the corner as restored or reestablished, and (2) to at least 2 of the witness monuments shown on the drawing in (d), above.
  - ' No discrepancy, first corner restoration.

(r) was the corner restored through acceptance of (1) an obliterated evidence location, or, (2) a found perpetuated location?

The corner restored through acceptance of an obliterated evidence location. Fence corner appeared to be the most likely location of the original corner.

(g&h) Was the corner reestablished through lost corner proportionate methods? If so, show the method, including the directions and distances to other public land survey corners used as evidence or used for proportioning in determining the corner location?

(i) 1. John C. Schulke

(type or print name) certify that the corner location shown on this record was determined by me or under my direction and control and that this U.S. Public Land Survey Monument Record is correct and complete to the best of my knowledge and belief.
