History of original corner establishment:

Original Government survey by William E. Daugherty in 1865.

North between sections 28 and 29. At 80 chains set section post from which the following bear:

 Sugar
 10"
 N19°E
 16 1ks

 Sugar
 12"
 S42°W
 32 1ks

Description of corner evidence found:

No original corner evidence was found.

I re-established the corner position using double proportionate survey methods from the adjacent section corners.

Description of monument and accessories I established to perpetuate the original location of this corner.

At the double proportionate position I set a  $2\frac{1}{2}$  diameter by 36 inch long aluminum pipe monument 30 inches in the ground with an aluminum cap stampled: T39N, R13E, S20, S21, S28, S29, 1995, S-1107 from which the following bear:

Aspen 4"	N60°E	5.30 feet
Aspen 5"	\$70°E	6.58 feet
Aspen 6"	s58°W	6.46 feet
Aspen 4"	N58°W	7.25. feet
Steel sign post	South	0.50 feet

Dated at Hiles	., Wis., this	<u> 12 th </u>	day of	November	19.22

By See Deputy

(e) Describe any material discrepancy between the location of the corner as restored or reestablished and the location of that corner as previously restored or reestablished by distance and direction. Show the discrepancy on the plan view drawing under (d), above. Show the distances between the corner as previously restored or reestablished and (1) the corner as restored or reestablished, and (2) to at least 2 of the witness monuments shown on the drawing in (d), above.

See drawing below.

(r) was the corner restored through acceptance of (1) an oblicerated evidence location, or, (2) a found perpetuated location?

Re-established through lost corner double proportionate survey methods.

(g&h) Was the corner reestablished through lost corner proportionate methods? If so, show the method, including the directions and distances to other public land survey corners used as evidence or used for proportioning in determining the corner location?

type or print name; certify that the corner location shown on this record was determined by me or under my direction and control and that this U.S. Public Land Survey Monument Record is correct and complete to the best of my knowledge and belief.
