SURVEY NOTES

This survey was made by the U.S. Department of Agriculture, Forest Service for the purpose of recovering, restoring, establishing, marking, and perpetuating the corners and boundary line of U.S. Government land on the perimeter and within Section 15, Township 40 North, Range 13 East, Fourth Principal Meridian, Forest County, State of Wisconsin as shown on the plat map herewith.

The Original Government Sub-division of this township was done in 1865 by William E. Daugherty.

The U.S. Government land within Section 15 was acquired in 1934, 1935, 1939 and 1941.

The bearings between corner positions are referenced to the East line of Section 25 as previously surveyed. No curvature corrections have been applied to the bearings in Section 15. The accuracy of this survey exceeds the State of Wisconsin requirement for closure of 1 part in 3000. Corners recovered or established by this survey are marked as described in the map legend. Each monumented corner is referenced to blazed, scribed, painted and tagged bearing trees. Tie bearings to the bearing trees are magnetic and are not corrected for declination.

The field notes and a copy of the plat of survey are on file in the Forest Service Supervisor's Office at Rhinelander, Wisconsin and the District Ranger's Office at Eagle River, Wisconsin.

CORNERS RECOVERED AND RESTORED

1. Northeast Section Corner

Corner position recovered and restored in 1959 by Robert Bandow, RLS. Corner documentation is recorded on a Certified Land Corner Restoration Certificate filed in the Forest County Registrar of Deeds Office as Document No. 83248.

1333 Collier Reference	a vecovered.		
Hemlock	16"	· S 30° E	9.95 feet
Helock	16"	S 40° E	23.93 feet
Maple	16"	N 20° W	8.65 feet
New Corner References	:		
Hemlock	26"	West	25.22 feet
Steel sign post		West	1.50 feet

2. East Quarter Corner

Corner position restored at mid point and on line between the Southeast and Northeast section corners.

Corner References:

Maple	10"	S 50° E	13.83 feet
Maple	5"	N 3° W	19.15 feet
Steel Sign Pos	it	West	0.75 feet

3. Southeast Section Corner

Corner position recovered and restored in 1975 by Jean Resvick, RLS with the U.S. Forest Service. Corner documentation is recorded on a Certified Land Corner Restoration Certificate filed in the Forest County Registrar of Deeds Office as Document No. 106881.

1975 Corner References Recovered:

Maple	10 " .	N 74° E	12.32 feet
Maple	10"	S 12° E	23.57 feet
Maple	11"	s 72° W	8.63 feet
