Mr. David R. Seaberg
District Ranger
Laona, Wis.

Dear Mr. Seaberg:

In checking over the notes of Section 11,
Township 34 North, Range 14 East, again, I see that the East
line was run in 1906. I do not find any record of making a
new B.T. at the One Fourth Corner, but do find a record of a
new B.T. at the One Eighth Corner East of it in Section 12.
(Tamarac 8 S. 70° 45' West 37½ lks.)

There is a chance a new B.T. was made at the One Fourth you
refer to, slipped up on making a record of it, but find no
record. Enclosed papers sent me.

Yours Very Truly,

Owen N. Smith, RL. Sur.
