Town Board lf the Town of Nashville,

Nashville, Wis.

Attention Mr Selmer Jacobson, Chairman

Gentlemen:

We, the undersigned, property owners on Pickeral and Crane Lakes in the Town of Nashville, herewith solicit your interest and aid int the following.

Our several properties, which we are interested in are all on the north side of Pickeral Lake and the south side of Crane Lake, and at present are impossible to get to by automobile. There is a road extending from Cook's place on Arbutus Lake to the Thorough-fare which connects the two above mentioned lakes. A short addition to this road, commencing on the west side of said Thorough fare and extending for a distance of about two hundred fifty yards across the swamp, will give us fair access to our several properties. We are willing to assume the responsibility of finishing or extending the road to fit our individual use.

May we have a reply from the Town Board? If further information is desired a committee of property owners will meet with you at any time you set.
