SURVEYOR'S CERTIFICATE

I, Jeffrey L. Being more particularly described for mapping purposes as follows:
Commencing at the Northeast corner of Section 20, Thence S00°38'26"W, along the east line of the NE 1/4 - NE 1/4 of said section, a distance of 1307.23 feet to the North 1/16th corner; thence, leaving said east line, S82°09'28"W, a distance of 2093.64 feet to the south right-of-way line of Doemel Lane, being the northwest corner of that property described in document number 187747, and the POINT OF BEGINNING of lands to be described;
Thence, leaving said south right-of-way line, S15°09'39"E, along the west line of said document, a distance of 362.36 feet to a meander corner near the north shore of Crane Lake; thence, leaving said west line, N68°27'28"W, along a meander line, a distance of 72.45 feet to the southeast corner of that property described in volume 122, on page 501; thence leaving said meander line, N14°45'51"W, along the east line of said volume and page, a distance of 340.94 feet to the south right-of-way line of Doemel Lane; thence leaving said east line, S83°44'14"E, along said right-of-way line, a distance of 59.86 feet to the Point of Beginning.

That said Lot 1 contains 0.49 acres more or less including lands lying between the described meander line and the shore of Crane Lake and the southerly extension of the lateral lot lines. Said parcel is subject to easements, restrictions, reservations and rights-of-way of record, if any.

That this Map is a true and correct representation of the exterior boundaries of lands surveyed, and that I have fully complied with Chapter A-E 7 of the Wisconsin Administrative Code, to the best of my knowledge and belief.
