	NORMAN A. HARRISON, PLS 1394
	JAMES D. REIN, PLS 1234

NOTES

- Bearings based on Forest County Coordinates, U.S. feet.
- All distances are measured to the nearest hundredth of a foot.
- Encroachments have been identified and located in the field.
- Dimensioned distances shown are rounded to the nearest foot, and are measured perpendicular to the line. Dimensioned distances on trails are from the centerline.

I hereby certify that said survey and the above map were made in accordance with the acceptable professional standards, as well as all visible encroachments, and that the information contained thereon is, to the best of my knowledge, information and belief, a true and accurate representation thereof.
